

Purchase order terms and conditions

Purchase order terms and conditions

1. COMPLETE AGREEMENT

This Purchase Order shall become a binding agreement of Seller and the SCHOTT company named on the Purchase order (Buyer) upon Seller acknowledging acceptance of this Purchase Order (hereinafter referred to as the "Purchase Order" or "Order") or commencing performance of this Purchase Order, whichever occurs first. This Purchase Order and these Purchase order terms and conditions, together with the specifications, drawings, documents, and any supplemental terms referred to in the Purchase Order, and any other documents agreed to in writing by Buyer and Seller, and which by this reference are all made a part hereof, constitute the entire agreement between the parties, and all prior negotiations, proposals and writings pertaining to this Purchase Order or the subject matter hereof are superseded. Any reference to Seller's quotation, bid or proposal does not imply Buyer's acceptance of any term, condition or instruction contained in such document.

Any invoice, acknowledgement or other communication issued by Seller in connection with this Purchase Order shall be construed to be for record and accounting purpose only. Any terms and conditions stated or referenced in such communications shall not be applicable to this Purchase Order and shall not be considered as Seller's exceptions to the provisions of this Purchase Order and are hereby excluded and objected to by Buyer. Trade custom and trade usage are superseded by this Purchase Order and shall not be applicable in the interpretation of this Purchase Order. In the event of any ambiguities, express conflicts or discrepancies in the specifications, drawings or other documents and any supplemental terms which are a part of this Purchase Order, Seller shall immediately submit the matter to Buyer for its determination and shall comply with the determination of Buyer in such matter.

All headings in this Purchase Order are for the convenience of reference only and shall not be used in the interpretation of any of the provisions of this Purchase Order.

2. TITLE

Seller warrants full and unrestricted title to Buyer for all goods and services furnished by Seller under this Purchase Order, free and clear of any and all claims, demands, liens, restrictions, security interests and encumbrances of suppliers or workmen or subcontractors of Seller who are providing services, labor, equipment or materials in any way related to this Purchase Order. In the event of any claim of lien or lien upon any property of Buyer by any such Seller suppliers, workmen or subcontractors, Seller, at its sole cost and expense, shall immediately take all action necessary to promptly remove such claim of lien or lien. If Buyer makes progress payments to Seller under this Purchase Order, title to the goods ordered shall pass to Buyer at the time Seller identifies the goods to this Purchase Order. Seller shall clearly identify the goods as property of Buyer by visible marking or tagging and Buyer shall have the right, at its option, to inspect and verify that the goods have been identified as Buyer's property. Care, custody and control of such goods remain with the Seller until such time as Buyer takes physical possession or otherwise agrees in writing by change order to this Purchase Order.

3. RESERVATION OF RIGHTS

The making or failure to make any inspection of, or payment for, the goods or services covered by this Purchase Order will not impair Buyer's right to reject nonconforming or defective goods or services or be deemed to constitute acceptance by Buyer of the goods or services, or affect in any way Seller's obligations under this Purchase Order notwithstanding Buyer's opportunity to inspect the goods or services. Neither Buyer's knowledge of the nonconformity or defect, its substantiality or the ease of its discovery, nor Buyer's failure to earlier reject the goods or services, shall affect Buyer's reservation of its right to reject.

4. WAIVER

Buyer's failure to insist on the performance of any term, conditions or instruction, or failure to exercise any right or privilege or its waiver of any breach, will not thereafter waive any such term, condition, instruction, right or privilege.

5. PRICE; PAYMENT

This Order may not be filled at prices higher than shown on Buyer's Purchase Order without the prior written approval of Buyer. If no price is shown on this Order, then Seller shall furnish the goods or services at no

higher price than last quoted by Seller, or last purchased or paid by Buyer, or at the prevailing market price, whichever is lower, or shall notify and obtain the written approval of Buyer before proceeding with this Order. Seller shall not charge Buyer more for the goods and services than Seller charges other customers for the same or similar goods or services. Unless otherwise agreed to in writing by Buyer, Buyer is not required to pay, and Seller shall not invoice Buyer, for any goods until after they are received and accepted by Buyer or any services until after they are completed by Seller and accepted by Buyer. Buyer shall make payment of the price after receipt of Seller's invoice in accordance with the payment terms specified in Buyer's Order or, if no payment terms are specified, within sixty (60) days of Buyer's receipt of Seller's invoice. Buyer may withhold payment, in whole or in part, in the event that any goods or services are non-conforming or incomplete. Payment by Buyer shall not constitute any agreement by Buyer that goods or services are conforming to the requirements of the Order or waive any rights or claims of Buyer with respect to non-conforming or incomplete goods or services.

6. CASH DISCOUNTS

Cash discounts, if any, shall be computed as commencing with the receipt of the invoice or of the goods or completion of the services, whichever is received later.

7. TAXES

Prices stated include all taxes, duties and other governmental charges, except state or local sales or use tax or similar taxes which are expressly imposed by law on Buyer and which Seller is required by law to collect from Buyer. Seller agrees to pay all taxes, duties and other governmental charges now or hereafter imposed by law on or on account of the production, sale, import, export, shipment or use of any goods or on the services covered by this Order.

8. EXTRAS

Charge for extras must be approved in writing by Buyer's purchasing department before being incurred.

9. PACKING SLIPS

Separate packing slips shall be included in each shipment showing order number, quantity, part number and description of the goods being delivered.

10. NO PACKING AND TRANSPORTATION CHARGES OR OTHER SURCHARGES

No charge for packing, boxing, storage, cartage, insurance or transportation or other surcharges of any kind will be allowed unless otherwise stated in this Order.

11. INSPECTION

Goods purchased under this Order are subject to Buyer's reasonable inspection, testing and approval at Buyer's destination, or anytime by Buyer (or its customers when required by Buyer) at all times and places prior to delivery. Notwithstanding prior payment, if inspection or the use of the goods reveals that they are not in accordance with this Order or Seller's representations or warranties, express or implied, Buyer may, in addition to any other rights it may have in law or equity, reject or revoke acceptance, return any goods for full credit or cash refund at its option and cancel any remaining unshipped portion of this Order without obligation. If it is impractical to make an inspection at the time of receipt, the foregoing shall apply whenever inspection may reasonably be made. Goods rejected as nonconforming will be returned at Seller's expense, including transportation and handling.

12. WARRANTIES

Seller expressly warrants that the goods and their packaging and services ordered shall be new and not used or reconditioned (unless otherwise specified in this Purchase Order), shall be merchantable, shall conform to this Purchase Order and to specifications, drawings and other descriptions and requirements referenced in this Purchase Order, and to any accepted samples, and shall be free from defects in materials and workmanship, and defects in design, unless the design was supplied by Buyer, and shall be fit for sale or use for Buyer's intended purposes. Seller further warrants that all goods and their packaging materials shall be produced, packaged, delivered, marked and labeled in compliance with all applicable state and federal laws and regulations and all applicable nationally recognized codes and safety standards and established industry standards, including without limitation state laws relating to packaging requirements for heavy metals, and that Seller has obtained the necessary government permits, approvals and certifications for the goods or services. Seller also represents and warrants that any goods and services delivered hereunder do not infringe any United States or foreign patent, trademark, trade secret or copyright, or any proprietary, intellectual property, industrial property, contract or other right held by any third party.

Seller shall, at its expense including, without limitation, costs of removal, packing, transportation and reinstallation, promptly, at Buyer's option, either repair or replace or refund the purchase price paid for any goods and services furnished to Buyer which within thirty-six (36) months after Seller's completion of the services or delivery of the goods, or within the period of any Seller express written warranty if that is longer, fail to conform to the requirements of this Purchase Order or any Seller warranty. Seller shall be chargeable at any time for repairs, replacements or other remedial measures made by or on behalf of Buyer to correct such a failure to meet the requirements of this Purchase Order or any warranty when Seller has been given notice of such failure and thereafter has failed to take prompt and effective action to correct the failure in accordance with the foregoing. Seller shall also be responsible to Buyer for any damages (including any direct, indirect, incidental or consequential damages), claims (including claims of Buyer, Buyer's customers or other third parties claiming against Buyer), costs or expenses incurred by Buyer resulting from any Seller failure to meet the requirements of this Purchase Order or any Seller breach of warranty. The foregoing warranties and obligations shall also apply to any goods and services that are repaired, replaced or corrected.

The above warranties are in addition to all other warranties, expressly given by Seller or implied by law.

All warranties shall extend to Buyer, its successors, assigns and customers and to users of the goods.

13. RECALL

If a recall of the goods is required by a defect, breach of warranty or a failure to conform to specifications, applicable laws or any other reason within Seller's control, Seller shall bear all cost and expenses of such recall, including without limitation, costs of notifying customers, customer refunds, cost of returning goods, lost profits, and other expenses incurred by Buyer to meet Buyer's obligations to third parties.

14. INDEMNIFICATION

In the event of a claim under this Section 14, Buyer may, at its option, without limiting other rights, remedies or claims that Buyer may have, terminate this Order or defer acceptance of the balance of the goods or services ordered until the claim is resolved. If Buyer is enjoined from the use of the goods, Seller shall, at Buyer's option and Seller's cost and expense, either procure for Buyer the right to continue to use the goods, replace the goods with substantially equivalent goods, modify the goods so as to be useable by Buyer or repurchase the goods at the price set forth in this Order. This section shall not be construed to indemnify Buyer for any loss to the extent it is attributable to Buyer's design, specification or negligence.

15. INSURANCE

In addition to any other insurance that Buyer may require of Seller, Seller shall obtain and keep in force during Seller's performance of this Order and for three years after the last delivery of goods or completion of services under this Order:

(3) If professional services are being provided, Professional Errors and Omissions insurance in an amount not less than \$1 million (or any other amount Buyer may indicate in this Order).

Such insurance shall have 30 day Notice of Cancellation Endorsement with 10 days' notice for non-payment and waiver of subrogation language and these must be shown on the certificate of insurance provided to Buyer.

Seller shall furnish Buyer with a certificate evidencing the required insurance, which names Buyer as an additional insured.

16. RISK OF LOSS

Seller shall bear the risk of loss or damage to the goods covered by this Order until they are delivered to Buyer under the applicable delivery term specified on the face of this Order.

17. BUYER FURNISHED MATERIAL

Seller shall not use, reproduce or appropriate for anyone other than Buyer any material, tooling, dies, equipment, patterns, printing plates, blueprints, drawing, designs or other property or information furnished or paid for by Buyer ("Buyer Material") without Buyer's prior written approval. Title to all Buyer Material shall remain in Buyer at all times and where practicable the Buyer Material shall be clearly marked or tagged to indicate this ownership. Seller shall use any Buyer Material at its own risk. Buyer makes no warranties of any nature with respect to any Buyer Material, which is furnished "As Is." Seller shall at its own cost store and maintain all Buyer Material in good condition and repair. Seller shall bear the risk of loss or damage to the Buyer Material until it is returned to Buyer. Seller agrees to hold in confidence and to use only for the benefit of Buyer, and only to the extent necessary to fulfill this Purchase Order for Buyer, all Buyer Material, and any methods, processes, techniques, shop practices, formulas, compounds, compositions, specifications, research data, marketing and sales information, customers lists, plans and other information provided or know-how and trade secrets owned by Buyer or in Buyer's possession and disclosed to Seller as a result of this Purchase Order (collectively "Buyer Information"). Until such Buyer Information has been lawfully published or disclosed to the general public, Seller agrees not to use or disclose such information to others and then only with Buyer's prior written consent. Seller agrees not to copy, reproduce, reverse engineer, disassemble, analyze the composition of, or decompile any Buyer Materials or Buyer Information disclosed to Seller without the express written consent of the Buyer. All Buyer Material, whether or not spoiled or used, and Buyer Information shall be immediately returned to Buyer at any time when requested by Buyer or at termination or completion of this Order, unless Buyer shall otherwise direct. Seller agrees that Buyer shall have the right at any time upon notice to Seller to enter Seller's premises and to remove Buyer Material and Buyer Information.

18. REFERENCES TO BUYER

Except to the extent required by law, Seller shall make no reference, advertisement or promotion regarding Buyer or Buyer's purchase or use of the goods or services covered by this Order without the prior written consent of Buyer.

19. USE OF SELLER'S INFORMATION

All information disclosed to Buyer by Seller in connection with this Order is furnished as part of the consideration for Buyer's placement of this Order. Unless there is a written confidentiality agreement in place between Buyer and Seller covering Seller information, then Seller's information shall not be treated as confidential or proprietary, and no claim will be asserted against Buyer, its affiliates, assigns or customers for its disclosure or use.

20. CANCELLATION FOR DEFAULT

In the event Seller shall be adjudged bankrupt, make a general assignment for the benefit of its creditors, or if a receiver shall be appointed on account of Seller's insolvency or in the event Seller is in default of any provisions or requirement of this Purchase Order, Buyer may, by written notice to Seller, without prejudice to any other rights or remedies which Buyer may have at law or equity, and without further liability or

obligation to Seller, cancel further performance by Seller under this Purchase Order. In the event of such cancellation, without waiving or limiting any other right or remedy that Buyer may have at law or in equity, Buyer may complete the performance of the Purchase Order by such means as Buyer selects, and Seller shall be responsible for any additional costs incurred by Buyer in doing so. Seller shall deliver or assign to Buyer any work in progress as Buyer may request, and any amounts due Seller for goods and services completed by Seller in full compliance with the terms of this Purchase Order prior to such cancellation shall be subject to set off of Buyer's additional costs and expenses of completing the Purchase Order and other damages incurred by Buyer as a result of Seller's default. Waiver by Buyer of any default of Seller may only occur in a writing signed by Buyer and any such waiver shall not be considered to be a waiver by Buyer of any provision of this Purchase Order or of any subsequent default by Seller.

21. TERMINATION FOR CONVENIENCE

Buyer may terminate for its convenience further performance of this Purchase Order at any time by written notice to Seller. On the date of such termination stated in the notice, Seller shall discontinue all work pertaining to this Purchase Order, Seller shall place no additional material or component orders supporting Buyer's Order, and Seller shall preserve and protect materials on hand purchased for or committed to this Purchase Order, work in progress, and completed work in Seller's and Seller's supplier's plants and Buyer's facilities pending Buyer's instructions, and shall dispose of same in accordance with Buyer's instructions. Seller shall not be entitled to any loss of prospective profits, contribution to overhead or incidental, consequential, special, indirect or other damages because of such termination. Payment made under this clause shall constitute Buyer's only liability and Seller's exclusive remedy in the event Buyer terminates this Purchase Order for convenience. Such payment by Buyer in any event shall not exceed the contract price for the goods or services specified in this Purchase Order that are the subject of Buyer's termination for convenience.

22. SET-OFF

Any Buyer claim against Seller or any of its related entities which arise out of this or any other transaction may be set off by Buyer against money due Seller under this Purchase Order.

Seller shall promptly notify Buyer of any actual or anticipated delay in delivery and take all reasonable steps to avoid or end delays without additional cost to Buyer. Where the delay is caused by acts of God, acts of civil or military authority, epidemics, war, riot, strikes or similar cause beyond Seller's control and which Seller could not have foreseen or provided against ("force majeure"), Buyer shall have the right to either (a) terminate by written notice to Seller all or part of this Purchase Order without further obligation or liability to Seller; or (b) extend Seller's performance for a period equal to the duration of the delay, but Seller shall not be entitled to any extra compensation for such delay. Seller shall use its best efforts to anticipate the effect of such cause and mitigate the effect of such cause, to resume performance, and to make deliveries as expeditiously as possible and Seller shall not discriminate against Buyer or in favor of any other customer in making deliveries of goods or performing any of its obligations. Seller shall not be excused from performance for force majeure where alternate sources of supply of materials, goods, or services are available. In no event shall Seller be entitled to claim force majeure for any delays or failures in performance due to breakdowns, malfunctions or failures of equipment, machinery or other items used by Seller or its suppliers in performance of Seller's obligations under this Purchase Order. Strikes, fires, accidents, acts of God, acts of civil or military authority, epidemics, war, riot, or any other causes beyond the reasonable control of Buyer that affect the Buyer's ability to receive or use or sell the goods or services ordered shall constitute valid ground for Buyer's suspension of performance or cancellation of this Purchase Order, upon written notification to the Seller, and without penalty or liability to Buyer.

24. ASSIGNMENT

Neither this Purchase Order nor any portion hereof may be assigned or delegated by Seller without Buyer's prior written consent and any such assignment or delegation without Buyer's consent will be void. Buyer reserves the right to assign this Purchase Order to Buyer's affiliates or to a third party, which, by purchase or otherwise, acquires all or part of Buyer's business for which the goods or services are related, at any time upon written notice to Seller.

25. CHANGES

Buyer shall have the right at any time prior to the delivery date by written direction to make changes in the specifications, drawings, packaging, quantities (if reasonable), time, place and method of delivery, for goods or services covered by this Purchase Order. If Seller believes that such change affects the price or delivery date for such goods or services, Seller shall so notify Buyer in writing (with adequate supporting documentation) within 5 calendar days after receipt of said direction. Seller shall suspend performance of the change unless thereafter released in writing by Buyer to perform such change and Buyer and Seller shall mutually agree in writing upon an equitable adjustment in the price and/or delivery date to reflect the effect of such change. Seller's request for any adjustments shall be deemed waived unless submitted in writing within 5 calendar days after Seller receives direction to make such changes. Seller shall not suspend performance of the unaffected portion of this Purchase Order while Buyer and Seller are in the process of making such changes and any related adjustments or at any time thereafter unless so instructed in writing by Buyer. If released in writing by Buyer, Seller shall comply with and perform such change in accordance with the terms of this Purchase Order during the time Seller and Buyer require to mutually agree upon an equitable adjustment. No substitutions shall be made in this Purchase Order without prior written authority of Buyer. No agreement or understanding modifying the terms and condition of this Purchase Order shall be binding upon Buyer nor will extra compensation be paid by Buyer unless the agreement or understanding is made in writing and signed by Buyer.
