

Waste Management System for Recycling

Your SCHOTT product was produced and developed with high quality materials and components. The symbol indicates that electrical and electronic devices must be separated from domestic waste and appropriately disposed of after useful life. SCHOTT AG Lighting and Imaging has arranged a waste management system for recycling. Please use this system for removal and help to protect the environment we live in.

For disposal please contact:
 ElectroCycling GmbH
 Email: schottbtob@electrocycling.de
 Fax: + 49 5321 33 67 29
